Transfer language and itinerant caseload are now a part of the BUP contract.

David Gresens  
*Co—President*

We continued work on making sure campus-wide committees are up and running and have BUP member representation.

Nancy Hoskins  
*Vice President*

Admiral Lord  
*Secretary*

Continue to work on the APPR process. We are in the second year of the phase-in moving toward having the APPR process fully implemented and in the BUP contract in 2011.

Deidra Miller

Continued to work with Dan White on what you say when calling in sick. You still have a choice – less is better.

Reminded members that tuition reimbursements have to be requested on a timely basis. In general, this means by the end of the fiscal year in which they were incurred (June 30).

Responded to questions of seniority and tenure.

Provided holiday donations to the following agencies: Advent House, Lollipop Farm, Farm Sanctuary, American Red Cross, Perinton Food Shelf, American Cancer Society, Hillside Special Santas, Alternatives for Battered Women, Dimitri House, Special Olympics, Open Door Mission.

Answered questions on return from academic leave . . . must return at the beginning of a semester unless special arrangements have been made with the member's department.

Reminder: If you are district based and your district is closed, you do not work – nor do you sub!

Reminder: If you are itinerant, you work the calendar(s) of the districts you are assigned to.
